To Whom It May Concern:

I am writing this to recommend Ideal Management to fulfill your lending needs.

PCXTrade Technologies was seeking short term funding. Ideal Management was recommended to the firm by a mutual associate.

Irving Ayash, the President of Ideal, made an appointment within days of our first phone conversation, to discuss the situation in person.

Ideal Management quickly understood the task at hand, created a solution for PCXTrade Technologies, and delivered a lender in a timely fashion.

The people at Ideal have been professional, courteous, and resourceful. I hope the PCXTrade Technologies/Ideal Management relationship continues to grow.

I strongly recommend Ideal Management to any firm in any industry seeking financing.

Best regards,

Warren Sulmasy
