Dear Mr. Ayash,

Please feel free to share this letter of recommendation with whomever you feel is appropriate.

Mr. Ayash and his team respond rapidly to the needs of clients. He devotes all of the time necessary to complete a comprehensive package on the project and then reviews the package with the client so that they have a consistent message. When he delivers the package to the market, he is available for questions and e mails. He goes beyond the normal work and makes the extra effort so that it is a win win on all sides.

I closed two transactions with Mr. Ayash and I would like to do more. His responsiveness and thoroughness facilitates the process. He attended multiple meetings and worked with the client to answer all credit questions. Hence, we had a successful outcome.

Not all transactions are straight forward and for those transactions which require more explaining, Mr. Ayash and his team are the right choice.

Yours very truly,
