It is my pleasure to recommend the services of Ideal Corporate Funding. We have been engaged with Ideal since June, 2012 mainly to assist our company is seeking outside sources for alternate working capital financing. It has been a very satisfying experience working directly with Mr. Irving Ayash, President of Ideal, who is extremely knowledgeable about his business and runs his company with the utmost integrity and skill. Mr. Ayash is a credible financing broker who has gained the respect of the lending community.

As a foreign owned company, it is sometimes difficult to identify the necessary lenders willing and capable to develop and offer the financial requirements set out by our organization. Mr. Ayash introduced us to lenders who were anxious to provide us with the financing we required, but more than that he negotiated successfully exceptional rates, assisted us in our accounting requirements and the legal requirements to complete the loan.

I would be happy to recommend Ideal Corporate Funding to any company seeking financial assistance.
