To Whom It May Concern:

It is my pleasure to recommend the services of Ideal Corporate Funding. We have been engaged with Ideal since June, 2012 mainly to assist our company in seeking outside sources for alternate working capital financing. It has been a very satisfying experience working directly with Mr. Irving Ayash, President of Ideal who is extremely knowledgeable about his business and runs his company with the utmost integrity and skill.

As a foreign owned corporation, it is sometimes difficult to make the necessary contacts required to accomplish the financial goals set out by our organization. Mr. Ayash introduced us to numerous banks and financial companies that we would never have received exposure to on our own. He has always been dependable, straightforward and most of all honest in all his dealings with Rusal.

I would be happy to recommend Ideal Corporate Funding to any company seeking financial assistance.

Sincerely,

Susan Scarinci  
Risk Manager
