To Whom It May Concern:

We have had the pleasure of dealing with Ideal Corporate Funding (Irving Ayash). Ideal advised us of what they could do for us and they delivered exactly what they proposed.

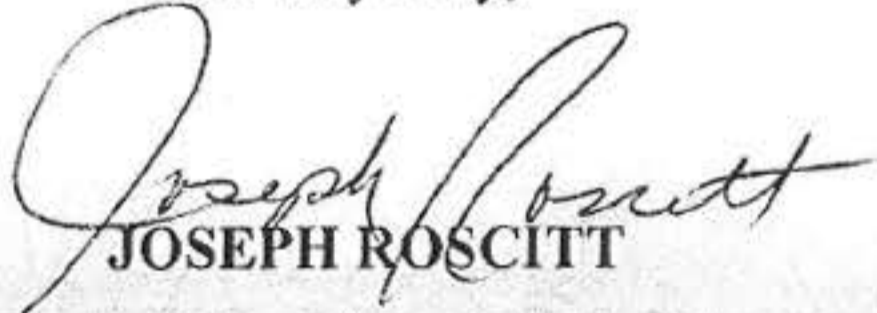

More importantly, they negotiated the very best terms and conditions that our current financial situation could afford. Ideal further guided us to new accounting that will give us the ability to reduce our costs of financing even further in the future.

We were so impressed that we have offered Ideal an opportunity to consult for us on a more formal basis.

We recommend Ideal Corporate Funding and its principal Irving Ayash to any corporation seeking qualified, professional, knowledgeable financial assistance.

You are welcome to contact us at any time to discuss our relationship with Ideal Corporate Funding.

Yours very truly,

JOSEPH ROSCITT
